Portraits & Branding

-General Portraits-

This can be for anything you want! If you want to update photos of yourself, or if a photoshoot just sounds like fun, let's do it!

15 Digital images are included with your session.

1 location; 1 or 2 outfits.

\$200

-Branding/Headshots-

Are you just starting a business, or needing to update your professional headshots? Your picture is usually one of the first impressions someone gets of you, so let's make sure we do this right! Get all the photos you need to promote yourself with this package! You will receive 15 edited digital images, along with the license to use your photos for commercial purposes.

1 location.

\$200

-Upgrades-

In Studio +\$85

Make it a Deluxe session for 10 additional photos +\$75

For all sessions, you will have the opportunity to preview your images via online gallery prior to final edits. From those images, you'll choose which ones you would like for your package.

If you would like to add additional images to your package, you will be able to for an additional \$15 fee per photo.
